ASSEMBLY BILL

No. 1634

Introduced by Assembly Member Levine
(Principal coauthor: Senator Padilla)
(Coauthor: Assembly Member Nava)

February 23, 2007

An act to add Chapter 9 (commencing with Section 122336) to Part 6 of Division 105 of the Health and Safety Code, relating to pets.

LEGISLATIVE COUNSEL'S DIGEST

AB 1634, as amended, Levine. California Healthy Pets Act.

Existing law sets forth provisions relating to veterinary public health and safety and provides for or regulates spay, neuter, and breeding programs for animals.

This bill would prohibit any person from owning or possessing any cat or dog over the age of 4 months that has not been spayed or neutered, unless that person possesses an intact permit, as defined. The bill would establish an intact permit fee in an amount to be determined by a local jurisdiction, and would require the revenue from these fees to be used for the administration of the local jurisdiction's permit program. The bill would make a violation of these provisions punishable by a prescribed civil penalty. It would require all revenues derived from these civil penalties to be used for funding the outreach efforts in

connection with, and the administration and enforcement of, these provisions, and, to the extent funding is available, free and low-cost spay and neuter programs, and outreach efforts for those programs, which would be required to be established by each local animal control agency.

By increasing the enforcement responsibility of local agencies, this bill would create a state-mandated local program.

The bill would become operative on April 1, 2008.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. This act shall be known and may be cited as the
2 California Healthy Pets Act.

3 SEC. 2. Chapter 9 (commencing with Section 122336) is added
4 to Part 6 of Division 105 of the Health and Safety Code, to read:
